Rate Codes - PMS Code/Key

System Configuration => Rate Wizard => Rate Code + Channel Letter:

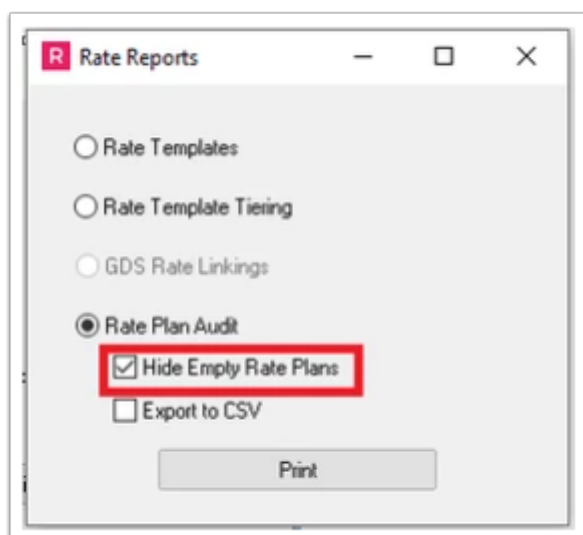

Can be seen under System Configuration => Rates:

A Rate Code Audit is also useful for printing out all Rate Codes or can be saved as CSV and sent to TravelClick:

Reports => Rate Reports => Rate Plan Audit => would recommend hiding Empty Rate Plans:

Market Codes – PMS Code/Key

For Market Code there are two options that can be configured:

Option 1: System Configuration => Client Types => Code:

R Client Types

Code	Name	Function	Active
1. CORP	Corporate	Corporate	<input checked="" type="checkbox"/>
2. WHOLESALE	Wholesale	Wholesaler	<input checked="" type="checkbox"/>
