

How to Manage Rate Restrictions by Date Range in the Rate Wizard

In the Rate Wizard, the following rate restrictions can be applied to a single date or a range of dates:

- **Close to Arrival** is a restriction that prevents a guest from arriving on a specific date or range of dates for the applicable rate
- **Close** is a stay-through restriction that prevents a guest from booking a rate on a specific date or range of dates
- **Minimum/Maximum Length of Stay** is a restriction that requires a guest to stay for a minimum or maximum length of stay to qualify for the applicable rate
- **Number to Sell** is a restriction that will limit the number of bookings that can be made for a specific rate on a specific date or range of dates
